

# Inca Gold: Keeps Your Motor Coaches Smelling Fresh.

Inca Gold, the number one name in toilet chemicals for the transportation industry since 1971, provides unmatched odor control for bus and motor coach passenger toilets.

Bus companies such as Greyhound and Peter Pan rely on Inca Gold toilet deodorizers to keep passenger compartments smelling fresh by eliminating the odors associated with onboard passenger toilets.

Inca Gold toilet deodorizers incorporate pine fragrance and pine oil which eliminates unpleasant odors in your motor coach – and provides your passengers with a clean, fresh scent that isn't sweet or cloying.

**It's why Inca Gold is the toilet deodorant major bus companies request most.**

- **Convenient:** Foil-packets eliminate having to store and lug bulky gallon jugs.
- **Effective:** In survey after survey, our bus customers say, "Inca Gold works. Period."
- **Priced right:** Pre-measured powder reduces waste and cost.
- **Safe:** Environmentally-friendly, non-formaldehyde formula available.
